DETAILED ACTION

Examiner's Comments

1. This action is in response to applicant's amendment received 6/29/2007. The pending claims are now 1-12, 21-23 and 26-28.
2. Applicant's amendment has remedied all matters pertaining to indefiniteness in the previous office action and the rejections made under the second paragraph of 35 U.S.C. 112 are hereby withdrawn.
3. Applicant's amendment has remedied all matters pertaining to the obviousness-type double patenting rejections made over US 6,945,444 to Gresham et al.

Reasons For Allowance

4. The following is an examiner's statement of reasons for allowance. The prior art of record fails to anticipate or show in combination all the features of applicant's invention:

With respect to claim 1, a novel surgical stapler having an indicator positioned on the handle portion and having a bulbous shape and movable between two positions in response to movement of an anvil assembly of the stapler, the bulbous indicator extending outwardly from the top surface of the stapler body.

With respect to claims 6, 7 and 21, a novel surgical stapler having an indicator positioned on the handle portion and having a bulbous shape and movable between two positions in response to movement of an anvil assembly of the stapler. The stapler having a slide member associated with the indicator that is movable between an advanced and retracted position within the handle and urged to its advanced position by a biasing member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
